

April 30, 2026

Dear Sir, Abio,

Greetings! Please accept this letter as a formal notification regarding my child's absence on April 21, 2026. Unfortunately my son was entirely unable to attend to his obligations due to the extreme heat crisis that required to remain home.

We experienced a complete loss of internet connection in my area which crippled my son's ability to communicate in a timely manner and accomplish his online prerequisites. Furthermore, we encountered an unforeseen fare issue during the commute leaving him unable to secure the necessary transportation.

Due to these successive complications, there's no alternative but to miss their scheduled duties. I deeply apologize for any inconvenience this has caused and kindly request your understanding regarding this matter.

Sincerely,
